7. *Annual Urs Mubarak of Hazrat Khwaja Gharib Nawaz (RA)*

The Urs Mubarak Hazrat Khwaja Moinuddin Chisty (RA) started on 1 Rajab 1403 corresponding to 16th April, 1983 and was over on 9th Rajab 1403 corresponding to 24th April 1983. The estimated attendance of Zaireen has been over two lakhs. Over one and half lakhs participated in the Namaze-Juma on 22nd April, 1983. The Qul was held on 6th Rajab corresponding to 21st April 1983.

8. All ceremonies and rituals were held as per traditions and procedure laid down and went off well.

9. All arrangements in particular Police, Water Supply, electricity, Hygiene, sanitation and cleanliness were good and remained satisfactory throughout the Urs.

10. Main features of the Dargah Administration have been the high standard of cleanliness, non-stop supply of water and electricity inside the Dargah, as well as in Guest Houses. Normal water works supply was augmented by the Dargah Water Supply Scheme. By and large the supply of the electricity by the RSEB remained satisfactory. The electricity supply broke down for few times only and that also for very short duration.

10A. The 10 K.W. generator Set acquired by Dargah Committee in March, 1982 proved to be an asset. It went into action immediately in the event of the break down of electricity and supplied electricity to Gumbad Sharif, Mosques, Gates and other important places.

11. At Anna Sagar pilgrims used to lose their belongings while taking bath. This year at Ana Sagar Lake the incidents of pick-pocketing and removing of personal belongings were almost nil. The Dargah Administration established scouts Camps with loud Speaker facilities. The Scouts not only warned the pilgrims on the mike but patrolled the area also.

12. The medical cover inside Dargah was excellent. Four Unani 2 Allopathy and 1 Hoeopathy dispensaries provided medical cover round the clock. Over 22,000 patients were treated free of charge within Dargah premises.

13. Two green boxes of Dargah Committee kept in Begami Dalan one after the other were moulded badly. From these 2 boxes only Rs. 6.37 were recovered. This was of course a very bad show.

14. There were quite a few pick pocketing cases. Most of the pick pocketing took place within the Gumbad Sbarif.

15. The beggar menace within Dargah premises as well as on the gates was minimised by the help of volunteers, Dargah Chaprasis and Police.

16. The cooperation from District Authorities, Railway authorities, etc., has been satisfactory.

17. On the whole the Urs Sharif and Urs fair passed off peacefully and every thing went off well by the Grace of God.

AUDIT REPORT ON DARGAH KHWAJA SAHEB AJMER FOR 1982-83**1. INTRODUCTORY**

For proper administration of Dargah and Endowment of the Khawaja Moinuddin Chisti, popularly known as Dargah Khawaja Sahib, Ajmer, the Dargah Khawaja Sahib, Act was passed by the Parliament in 1955. As per provisions of the said Act, the Dargah Endowment includes :—

- (a) The Dargah Khwaja Sahib, Ajmer,
- (b) All buildings and movable property within the boundaries of Dargah Sharif.

(c) Dargah Jagir, including all land, houses and shops and all immovable property wherever situated belonging to the Dargah Sharif.

(d) All other property and all income derived from any source whatever dedicated to the Dargah or placed for any religious, pious or charitable purposes under the Dargah Administration including the Jagirdari villages of Hokran and Kishanpur in Ajmer.

(e) All such nazars or offerings as are received on behalf of the Dargah by the Nazim or any other person authorised by him. The administration, control and management of the Dargah Endowment is vested in a Committee named as "The Dargah Committee Ajmer." The Committee is to consist of not less than five and not more than nine members, all of whom shall be Hanafi Muslims and shall be appointed by the Central Government. The Committee exercises its functions through a Nazim appointed by the Central Government in consultation with the Committee. The Nazim is the Chief Executive Officer of the Dargah Administration and also acts as a Secretary to the Committee under Section 19(1) of the Act *ibid*, the accounts of Dargah are required to be audited every year by such persons and in such a manner as the Central Government may direct. Sub-Section (2) of the said section envisages that the Committee shall every year prepare a report on the administration of the Dargah which, together with the accounts and the report of the auditor thereon, shall be published in the official Gazette. The Dargah administration is preparing only a statement of Receipts and Expenditure. No Balance sheet is prepared and as such assets and liabilities at the end of the accounting period are not ascertainable from the accounts. The Audit of the accounts of the Dargah was entrusted on consent basis to the Comptroller and Auditor General of India. From the accounts for the year 1978-79, the audit has been brought under the provisions of Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act 1971 for a period of five years. This is the fifth audit under this arrangement.

2. Receipts and Expenditure Accounts for 1982-83**2.1 Analysis of receipts and expenditure**

There was an opening balance of Rs. 1.45 lakhs at the beginning of the year. The total receipts during the year amounted to Rs. 12/- lakhs (including donation and loan received for the construction of Guest Houses, Rs. 0.27 lakhs). After meeting the total expenditure of Rs. 10.75 lakhs during the year (including Rs. 0.88 lakh on construction on Rest House), there was closing balance of Rs. 2.70 lakhs at the end of the year out of which Rs. 0.02 lakh stood invested in securities.

2.2 Reconciliation of the Cash Book Balance with the Bank Balances as per Bank Statements.

The Dargah Administration is maintaining three savings Bank Accounts and two current Bank Accounts, but as there was no system of preparing proper Reconciliation Statement in respect of each Bank account at the end of each month so as to locate the difference between the balance as per Cash Book and that shown in the Bank Pass Books/Bank Statements, the deficiency was being repeatedly pointed out by Audit.

Out of the reconciled difference of Rs. 8354.05 between the balance as per Cash Book and Bank Accounts as on 31-3-1982 differences of Rs. 1400.80 have been set right and for the remaining difference of Rs. 6953.25 (Rs. 2463.46 of current Account No. 7040 Rs. 4077.96 of saving Bank Account No. 5139 and Rs. 411.83 for which Bank had given details) it was pointed out in Audit that details of the differences may be collected from Banks concerned and accounts set right accordingly. However, as per resolution passed by the Dargah Committee in March 1983, the Bank figures in the Cash Book of the Dargah had been increased without obtaining such details from Bank.

The difference of Rs. 4869.60 between the figures of Cash Book and Bank Accounts as on 31-3-1983 have been reconciled but not set right so far (August 1983).

2.3 Incurring of expenditure without estimates or in excess of the estimates

According to Bye-law 14 of Dargah Khwaja Sahib Bye-laws, 1958 the Nazim is to prepare and circulate among the members of the Dargah Committee, the budget proposals showing the amount budgeted for during the previous year, the amount actually received or spent in the previous year and the estimates of the income and expenditure for the budget year i.e. for the ensuing financial year as required under bye-law 22 *ibid*. These are placed before the Committee and approved in March every year.

A perusal of the accounts for the year 1982-83, however, revealed that expenditure in respect of 2 items was incurred in the absence of budget estimates and in respect of 7 items expenditure incurred exceeded the budget estimates as per details given below and need regularisation :—

Head No.	Name of the Head	Sanctioned Budget	Actual expenditure
1	2	3	4
I-B	Other expenses of office pension, Gratuity to Staff	10,000	13,852
II-B	Other expenses of Dargah Sharif		
	Purchase of food grains of Langer.	45,000	49,175
	Burqi Roshni (electricity)	45,000	63,144
4 A	Staff of Shafa Khana	10,176	11,252
4 C	Pay of Staff of Homoeopathic Dispensary	—	3,096
4 D	Purchase of Medicines for the dispensary	10,000	11,064
9	Guest House		
	(i) Purchase of furniture for Guest House	25,000	31,140
	(ii) Return of Loan to C.W.C.	1,60,480	1,64,634
10	Construction		
	Pay of Site Engineer	—	7,076

The excess expenditure was attributable to more number of officials retiring than anticipated, rise in prices, more consumption of electricity in guest houses and requirement of more furniture for the newly constructed guest house.

3. Other Topics of Interest :

3.1 Defects in Registers of Immovable and Movable Properties

According to Bye-law 21 of the Dargah Khwaja Sahib Bye-Laws 1958 a book detailing all immovable properties and a book containing a list of the movable properties of the Dargah are required to be maintained. The deficiencies noticed in audit are mentioned below :

(i) Immovable Properties

The Nazim, Dargah, Ajmer informed on 11th August 1983 that the Register of immovable properties had been completed in all respects. Examination of the Register, however, revealed that though entries have been made to complete the Register containing 392 properties regarding the area, cost of constructions and allotment of serial numbers to landed properties had not been made in all the cases. Certificate to the effect that all the immovable properties have been entered was also not found recorded on the register.

(ii) Movable Properties

Articles under Gumbad Sharif and in Main and Subsidiary Toshakhana

There are many costly items of gold, silver and precious stones in Gumbad Sharif. No inventory of the items has, however, been prepared so far (August 1983).

The Main Toshakhana also contains costly articles made of gold and silver. There are seven locks of different Khadims (Hafth Chowki Baridaran) on the Toshakhana. The keys of the locks are with Sarganas of the Hafth Chowki Baridaran who are not available at one and the same time. Some time in the year 1929, an attempt was made by the Dargah Administration to open the Toshakhana and to prepare the inventory but without success. In April, 1966, however, the Administration got the Toshakhana opened and prepared a list of 206 items. The work could not be completed reportedly due to non-co-operation of Khadims.

Another subsidiary Toshakhana contains costly Gilafs (Tomb Covers), silver and gold articles etc. Even though the Toshakhana is opened almost daily for change of Gilafs on the main tomb, no list of articles has been prepared so far (August 1983).

Non preparation of inventory of articles under Gumbad Sharif, and in Main and subsidiary Toshakhana was pointed out in Audit Report of 1979-80 to 1981-82 also.

The matter regarding preparation of list of Gumbad Sharif, Main Toshakhana and subsidiary Toshakhana was put up before Dargah Committee meetings held in August 1982 and December 1982. No final decision in the matter was taken in the above meetings. The matter was again discussed by the Dargah Committee during the meeting held in August 1983. It was decided that the Sarganas may be asked in writing to co-operate for preparation of the inventory and valuation of assets contained in Gumbad Sharif, Main Toshakhana and Subsidiary Toshakhana and in case they do not respond action may be reported to.

4. Construction of Rest Houses Dormitory etc.—Irregularities and over payment of Rs. 3.23 lakhs

An irregular and over payment of Rs. 3.23 lakhs to the contractor for construction of Dargah Houses Complex was pointed out in the Audit Report of Dargah Khwaja Sahib Ajmer for 1981-82.

In the Dargah Committee Meeting held in December 1982, it was decided that criminal proceedings may be instituted against the contractor for fraudulent claims after consulting legal counsel and that legal advice regarding responsibility of Engineer in charge on whose recommendations and verification the payment had been made to contractor was being sought by the Dargah Administration. In the Subsequent meeting held on 22nd August 1983 detailed discussions were held in connection with the over payment and it was decided that the details regarding adoption of schedule for calculating and payment of bill, authority for making advance payment to the contractor, financial position of the parties to whom over payments have been made and whether the expenditure was incurred with the concurrence of the Construction Committee may be put up before the next Dargah Committee. Further progress in the matter is awaited (September 83).
